A story for every space

SPONSORSHIP RATES CARD

Welcome to eat sleep colour. A company that came about, reflected on the way we see ourselves with a passionate love for colour and interiors while also being able to help people create beautiful spaces at home.

EAT SLEEP COLOUR

Who's our reader?

Sarah

Age: 36

Homeowner

Wife, mother of 2 youngsters Works Part Time

Sarah represents an audience group of homeowners and renters, living in 2-4 bedroom homes with their families. They're working middle-upper class, with a disposable income to spend on leisure and enjoyment, yet are also conscious of spending and consuming habits.

James

Age: 27

Renter

Single

Full Time Web Developer

James represents a group of young adults, currently renters and/or first time homeowners who live alone and/or are dating. James works full-time as a web developer in a web design firm, and enjoys spending his evenings at home, entertaining friends, and enjoying his space as a place to relax, let loose, and have some fun.

Lottie

Age: 32

Runs an eco-friendly beauty salon

Lottie represents a group of business owners, looking to create a space of business operations that reflects their values as a brand, attracts their desired audience groups, and stands out from competitors within the same market.

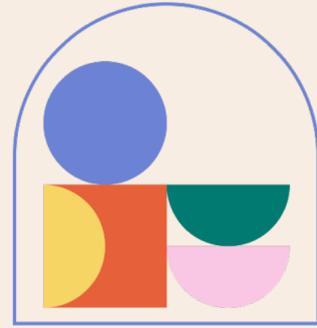

Yui

Age: 47

Operates an airbnb in the city centre

Yui represents a group of business owners, looking to design their space in a highly aesthetic way, marketing them as short term holiday rentals within markets such as Airbnb.

ADVERTISE WITH US
